## How to reach the TU Wien from the airport

### *By train:*

Vienna International Airport (VIE) is located in Schwechat, about 20 km east of Vienna's center. At the airport there are two railway lines to the city of Vienna:

- The standard railway (direction usually Wien Floridsdorf, Laa/Thaya) to the station *Wien Mitte* (it takes about 25 minutes, price is 3,40 Euro). Regular trains (Schnellbahn) run every 30 minutes. In the arrival hall there is a board with the departure times of trains.
- The City Airport Train (CAT) takes you without stop to the station *Wien Mitte* (it takes about 16 minutes, price one-way 9,00 Euro, possibility of return ticket 16 Euro)

At *Wien Mitte* take underground U4 (direction Hütteldorf), 2 stops to Karlsplatz.

### *By bus:*

At the airport you may also take a shuttle bus (Vienna Airport Lines) to *WIEN ZENTRUM Morzinplatz / Schwedenplatz*. (it takes about 20 minutes, price is 6,00 Euro). The busses run every 20 minutes. Please take care that there are also busses to *Südbahnhof* and *Westbahnhof*, which are less convenient to reach the TU Wien.

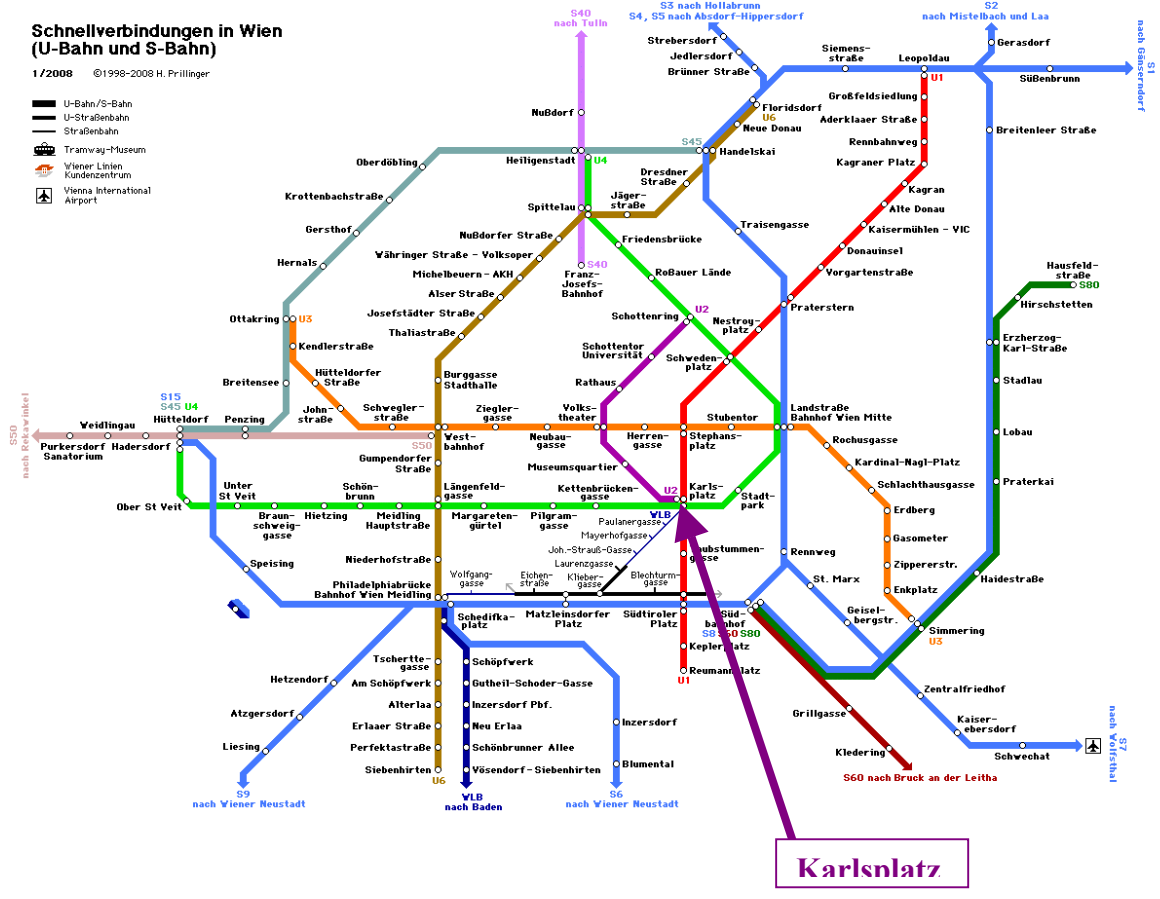

From Schwedenplatz /Morzinplatz you should take the subway either line U1 or U4 to Karlsplatz. There are two stops with U1 (direction Reumannplatz) or three stops with U4 (direction Hütteldorf).

### *By taxi:*

You can take a taxi in from of the arrival hall. It takes you also about 20 minutes and the typical price for a taxi is 30 – 50 Euro.

## Public transport in Vienna:

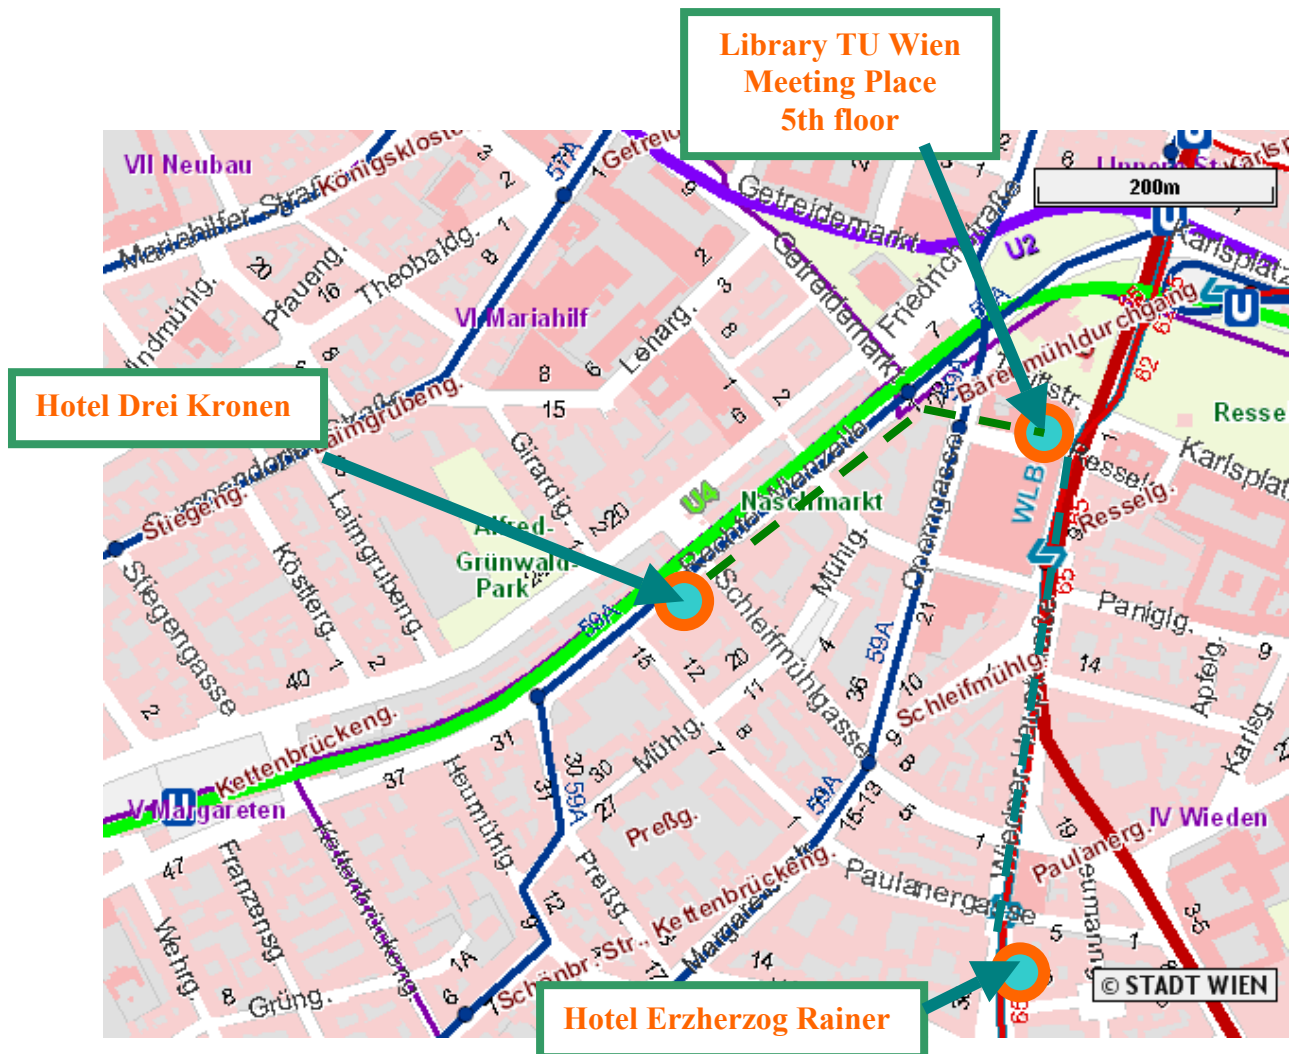

Vienna has a very efficient public transport system, which runs subways (5 lines), many tram lines and busses. Within the city bound you can travel with a single ticket (Euro 1,70 when bought in advance; Euro 2,20 at the ticket machines in trams and busses). Don't forget to validate your ticket by stamping it at the entrance of subway stations, trams or busses (blue or orange stamping machines called "Entwerter").

*Karlsplatz* is the largest underground station and close to the Vienna University of Technology (TU Wien). From the underground platform take the exit *Wiedner Hauptstrasse* or *Karlsplatz* (not *Oper*). The first building on the right hand side of Wiedner Hauptstrasse is the library of the Vienna University of Technology (characterised by a huge stone bird at its front corner), where the meeting takes place. The entrance into the library is in Resselgasse, a side road without traffic between the green physics building and the library. Please take the elevator to the 5<sup>th</sup> floor.

## How to reach the TU Wien from your hotel

All participants are booked either in the **Hotel Erzherzog Rainer** or **Hotel Drei Kronen**. Both hotels are within walking distance (5 minutes) from the meeting place. Below there is a map which shows the shortest ways to reach the library of the TU Wien, where the meeting takes place (in the 5<sup>th</sup> floor):

We are looking forward seeing you in Vienna. Have a safe journey.

Best regards,

Helmut Leeb
