

Form for an official personal dosimeter and/or barcode for employees of external companies and guests

I need

- badge (official personal dosimeter + barcode)
 only barcode (if you have already an official personal dosimeter by your external company and will be used here in GSI)

Please check applicable item

Have you ever been in the radiation protection monitoring of the GSI before?

- yes no

Last name: _____

First name: _____

Date of birth: _____ (DD/MM/YYYY)

Place of birth: _____ Information: You can omit the place of birth in case you need only the barcode.

Email: _____

Phone number: _____

External company: _____

GSI-Department/Group: _____

GSI contact person: _____

Last GSI-general radiation protection instructions (not older than 12 months):

_____ (DD/MM/YYYY)

- attached to this form
 I have already sent it to the safety and radiation protection department

Last medical (radiation protection) examination (not older than 12 months):

_____ (DD/MM/YYYY)

- attached to this form
 I have already sent it to the safety and radiation protection department

Please note the back side

When do you need the personal dosimeter and/or barcode:

_____ (DD/MM/YYYY)

Do you have a Strahlenpass (radiation passport)?

yes, please note the registration number: _____

no

Did you ever work in radiation protection areas before?

yes

no

If yes, please note the accumulated effective dose of this year and the one of all years:

Whole body dose in this year: _____ mSv

Sum of all accumulated whole body doses in all years: _____ mSv

If you don't know your body dose, please give this application form to your radiation protection department of your university, home institute, or research facility, so that they can fill out the dose values.

If you need a badge, how long do you need the personal dosimeter?

for an experiment until _____

the badge is needed permanently until _____

Please send this form to the safety and radiation protection department.

Please mind also the entrance requirements for external employees and guest scientists, which can be found on our web pages:

GSI => Departments info => safety and radiation protection => radiation protection =>

Information for guests and employees of external companies
